

The Fourth Grade News
Nov. 30 –Dec. 4th

Dear Families,

Merry Christmas! I hope you are enjoying the holidays! I had a great Thanksgiving. I am so excited to be celebrating this season with your children.

Thank you in advance for all your donations for our “Decking the Classroom.” Our room will be looking very special by the end of the week. Thank you families for all you do to make our school year a great one.

I have sent home the instructions for our Holiday Project. This takes the place of the book report for December. If you have any questions, please let me know. I will post on the door the presentation schedule. I can be flexible if you would like to be here for your child’s presentation. I am looking forward to some awesome projects.

Gratefully,
Mrs. Aram
