

September 6, 2011

Dear Second Grade Parents,

Welcome to the first week of school. It was a pleasure meeting all of the new students today. This week we will be settling and adapting to our curriculum. Tonight we will be having Back-to-School Night. I hope to see you here. Below is a list of subjects and lesson plans we will be covering this week. Please read attached letter for this week's homework assignment. It will be due this Friday. This Friday we will be having our first oral Bible verse test. I welcome all of you to join me Sunday, September 11th at the 10:00 service at Granada Hills Baptist Church.

Bible- We will identify what heaven looks like. The class will read scripture pertaining to heaven, formulating descriptions, and make their own illustrations of what heaven looks like.

Phonics- This week we will learn to recognize vowels, identify consonants, learn to blend letters together, and creative writing. .

Grammar- Compound words

Math- First, we will be focusing on previous learning. Then we will begin working on addition concepts, related addition facts, and count on to add.

Spelling- We will start next week.

Reading- We will begin to read our first book entitled, If Skies Be Blue.

History- We will begin to learn about our seven continents.

Bible Verse- "God saw all that He made, and it was very good". Genesis 1:31

Homework- Paper bag project and oral Bible verse due Friday.

Thank You, Mrs. Zeichick
