

Fourth Grade Parent Letter

Dear Parents...

September 6, 2011

Welcome to Fourth Grade! I am SO excited to have your children in my class this year! I know we are going to have a wonderful year because God has graciously granted us another year at GHBS. I am committed to making this the most awesome year ever!!!

Most of the general information about what to expect this year will be covered at **Back-to-School Night tonight at 7PM. Please come see me if you are unable to attend.** Information regarding our Sacramento trip in the spring will also be discussed tonight. I look forward to seeing all of you!

This week, we will be going over classroom rules and procedures. We will also be getting ourselves organized and beginning the first units of our course work. **Please make sure your child brings in all his/her school materials this week.**

Remember to read the parent letter **EVERY Monday** because it will provide you with all the information about what's happening in class. These letters will also be posted on our website: www.granadahillsbaptistschool.com every Monday.

If you have any questions or concerns, you can always reach me at school or email me using our website. Parent-teacher communication is vital to your child's success in school, so please don't hesitate to approach me with any concerns.

Blessings,
♥ Mrs. Hong
