

Dear Second Grade Parents,

November 7, 2011

Our next project is "Disguise A Turkey". This project is a fun way for your child to get some extra credit and show their creativity. This project is due on November 23rd. Please see attached letter and forms. This Friday we have no school. We will have only two tests this week. Notes are attached for our Bible test on chapters 9 and 10.. We will be having a science test on habitats on Thursday. Please remember we are collecting canned yams for our Thanksgiving offering for the poor. Operation Christmas Child shoeboxes and yams are due by November 18th. This month we are collecting money for Lara a missionary at Yale University. She was a former G.H.B.S. student and she devotes her time to spreading the news of Jesus to others on campus. Happy Veteran's Day!

Bible-God's plan for His people. **Test on chapters 9/10 Thursday**

Language- Divide between two consonants, sounds "ch", "ear", "y", and "le". Capitalize the twelve months of the year.

Cursive-O and H

Grammar- Capitalization and nouns

Math- Pictographs, bar graph, survey, range, median, and mode.

Science- Habitats **Test Thursday**

History- Separatists

Reading- We will start a new book The Sun Rises High and read chapter 5 in the book, Treasure of Pelican Cove.

Spanish- Review parts of the head. Introduce three sentences (see page 153).

Computers- We will be researching different habitat images on the computer.

P.E.- Finish up Presidential Fitness Testing

No Bible Verse

Homework

Monday- Phonics packet

Tuesday-Habitat reading comprehension packet

Wednesday-Math sheets, study for Bible test and habitats (science) test, and read chapter 5 of Treasure of Pelican Cove.

Thank You, Mrs.Zeichick
