

Fifth Grade Weekly Newsletter
November 14- November 18
Week 11

I hope you had a reflective and restful Veteran's Day!

Please bring in your items for our Thanksgiving and Christmas projects! This year, 5th grade students will be providing bags of potatoes. Please bring 10 lb bags by November 17.

Your Operation Christmas Child boxes will be due November 18. I know that seems far off, but if you start picking up little things now, your box will be filled before you know it! Boxes are available in the office.

Begin gathering your costume for our program—lifeguards need a white t-shirt and red shorts, everyone needs flip-flops or sandals and swim cover ups or board shorts. (Please save November 30 at 7 pm and/or December 2 at 9 am so you can attend!)

This week you will learn:

- **About our friends to the North—The Canadians**
- **about finding God's purpose for our lives**

Who was I?

The first ipod was sold on November 10, 2001 and the Xray was discovered November 8, 1895.

Who can tell me...?

For 2 tickets, be the first person to tell me: What (who) are in the two pictures/phrase on this page and why are the pictures significant?

Lesson Plans for Week 11:

Bible:

Memorize Matthew 5:33-37 Due 11-17

"Again, you have heard that it was said to the people long ago, 'Do not break your oath, but keep the oaths you have made to the Lord.' But I tell you, Do not swear at all: either by heaven, for it is God's throne; or by the earth, for it is his footstool; or by Jerusalem, for it is the city of the Great King. And do not swear by your head, for you cannot make even one hair white or black. Simply let your 'Yes' be

'Yes,' and your 'No,' 'No'; anything beyond this comes from the evil one.

Chapter 11, Test Friday

Spelling:

Chapter 11, Test Thursday

Program Rehearsal

Character Trait for November:

Truthfulness

New Word for Room L:

languid

Room L's Blog

The most important invention was the book.

Without books, there would be no use for paper and pencils.

Without paper and pencils, there would no such thing as drawing.

Without drawing, there would be no such thing as colors.

Without colors the world would be boring.

Without that, the galaxy would explode and then God would have to make a new one!
